

MBV Gives Back Fundraiser

Proudly Supporting "Christmas Magic"

For December 2019, **MBV Gives Back** is working with **Christmas Magic** to help children this holiday season.

Christmas Magic was founded 33 years ago as a way to provide children living in homeless shelters with gifts for kids who were not going to have any presents or be able to Celebrate Christmas because of their situation. Over the years, Christmas Magic is now shared with more than 11,000 Long Island Kids in over 55 shelters, agencies, programs, churches, and schools. My Business Venture, in conjunction with the Wildwood Warriors Triathlon Team, have teamed up to adopt 150 children in various shelters on Long Island. In addition to purchasing gifts for each child, we will also be hosting a holiday event where Santa will distribute the gifts to each child and there will be food and refreshments for all that attend.

MBV Gives Back always covers 100% of all administrative costs involved in fundraising, which ensures that every penny received goes directly to the charity.
